

This year, Concord Primary kick off the Racial Harmony Day commemoration with a concert that centres around the theme of Harmony in Diversity. Students were able to enjoy the skit that was heart-warming and included some participation by the students.

To wrap up the day, students were able to participate in various cultural activities during recess. Some lucky students were even able to bring back some goodies!

Let me try this...

Harmony in Diversity

Student leaders deep in discussion

Let's go!

Let's horse around!
