

From the Year Head's Desk

Term 3 Week 2

3 July 2023

Dear Parents,

We are thrilled to share with you some of the amazing activities that have been conducted for our Primary 5 students recently. In Concord, we aim to provide opportunities for our students to learn together, forge close relationships with peers, develop themselves holistically and create memorable experiences. Here are some of the highlights of the recent activities.

1. Primary 5 Outdoor Adventure Camp

The annual Primary 5 Outdoor Adventure Camp was successfully held from 30th May 2023 to 1st June 2023. This camp has become an integral part of our school's holistic education programme, where students will learn many important life skills such as teamwork, independence, relationship management, and resilience. Through various outdoor activities and challenges, our students learned how to work together, support one another, and overcome obstacles, fostering a strong sense of camaraderie and unity.

In addition, during the camp, students will have experiences that will instil and create awareness in them the importance of conserving things like water and electricity. The students also have had an enriching camp, where they also get to experience ruggedness and spirit of adventure.

We would like to express our gratitude to the dedicated teachers and facilitators who made this camp a memorable and enriching experience for our students. We look forward to witnessing the positive influence of the outdoor adventure camp on our students as they continue to grow and apply the valuable lessons learned.

OFFICIAL (CLOSED OFFICIAL) / SENSITIVE (NORMAL)

We truly appreciate your support in encouraging your child to take part in the activities conducted for them. Together, we can create a vibrant school where students can come together to learn, grow and have fun.
